REVISED EDITION Imagine a world where the evil of the Blood Countess Elizabeth Bathory is able to ultimately escape the clutches of mortality as she is reborn into an immortal entity of the most evil and sinister proportions. Starting with Eve's first adulterous copulation with the serpent Devil in the Garden of Eden, this immortal legacy finally links the bloodlines of their immortal spawn, Cain, to the author of The Devil's Bible, and to the very first vampires. Who will emerge triumphant and...
