Fun fantasy about one girl and her dog, who will go to the ends of the Earth and beyond to make her happy. You could say young Eliza has had a dog's life, losing her mum when just a baby. However, a loyal dog has devoted his life to keeping her happy. Top Dog Dougie blasts off on a daring escapade, using what may be described as unconventional forms of travel for a dog, including the cherished classic car belonging to Eliza's dad. In a race against time, he crosses California to Alaska, taking in the Australian Outback and even the moon along the way. Top Dog's birth home holds the key to Eliza's future happiness - but will our hero hound make it against all the odds in this poignant and action-packed shaggy dog story?.
