Simon Schuster Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. For readers everywhere who are embracing the Danish art of hygge - the first warm, wise and romantic hygge novel! The perfect feel-good novel to curl up with - light some candles, wrap yourself in a blanket and relax .Bo, 26, has always been careful, cautious. However, she s just been made redundant and her life plan is beginning to unravel. Before she starts immediately applying for other jobs in a panic, her friend Kirsten persuades her to take a holiday, to visit Kirsten s mother s house in Aalborg, North Jutland, a part of Denmark Bo is ashamed to admit she has never heard of. What s the weather going to be like? she asks Kirsten hopefully, scrolling her cursor over the budget airlines webpage. Terrible, Kirsten replies, London is positively Mediterranean by comparison, and of course it s November so it ll be dark seventeen hours a day. But no one goes to Denmark to get a tan. You need a change of scene and to blow away the cobwebs, and trust me, Skagen will do that. Besides, the summerhouse is cosy whatever the weather, and you never know who else will be around. A few clicks later and there is no going back. And Bo s life plan is about to be entirely rewritten.
