The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Sea Lovers, Valerie Martin, Each of these twelve stories is a complete world, where ordinary lives are transformed, myths bloom into reality and the everyday is haunted by obsession and duplicity. A painter is made insufferable by success; a writer is driven to bury the evidence of his inadequacy. Metamorphosis fragments a marriage and beasts bear the consequences of human failings. Living creatures scratch out hauntings, rumours spread like fire. Fantastical beings are made flesh while mortals are engaged in a struggle that should be honourable but more often corrupts. Lyrical and macabre, Valerie Martin's stories are wry and unexpected too. The question 'Are we animals, or are we something else?' is answered by an ancient proposition both whimsical and disturbing: we are neither and both.
