

The Friendship Code: 1 (Hardback)

By Stacia Deutsch

Penguin Putnam Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Lucy can't wait for the new coding club at school to start. Even though she's only in sixth grade, she has an idea for an app, and is excited to get started on it. But Lucy's excitement turns to disappointment when she shows up at the first meeting. Sophia is there--she and Lucy had a fight over the summer and they are now ex-friends. There's also Maya--a very cool seventh grader who Lucy's never dared talk to. And then there's Erin--a new girl who nobody really knows. Not only does Lucy not get to work on her brilliant idea for an app, she also ends up working with Sophia, Maya, and Erin to discover the meaning of some mysterious notes that are in coding language. Lucy and the rest of the girls soon discover that coding takes time, patience, and dedication--and so does friendship.

Reviews

This is actually the very best pdf i actually have study till now. I am quite late in start reading this one, but better then never. You will like just how the author publish this ebook.

-- **Junior Lesch**

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.
