THE MECHANICAL PRODUCTION OF MEAT ADDITIVES FROM SOY FLOUR

Marwa Zakzouk
The Mechanical Production
of Meat Additives From Soy
Flour
Single Screw Extruder

LAP LAMBERT Academic Publishing. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.7in. x 5.9in. x 0.4in. The properties of the locally produced texturized soybean were improved through the modification of the chemical properties of soybean flour and through the modification of the extruders screw (its mean effective unit) for each zone of the screw (feeding zone kneading zone, and final cooking zone) and its application. The technical evaluation of the modified extruder included extruder productivity, the required torque, the required...

Reviews

These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).

-- **Prof. Angelo Graham**

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Annette Boyle**

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.
