A Rainbow Vision: A Multifaith Adventure

By Rev Cathy Hitchens Mrs

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The question of religion and spirituality in prisons is a rather underpublicized debate. A Rainbow Vision is a true story of ordinary people, of a prison, its chaplains and their ground breaking journey of faith. It is an inspiring account of the radical shift in the national prison chaplaincy from being Christian led and directed to becoming MultiFaith inspired and coordinated. In particular, it tells of how the MultiFaith Chaplaincy Team at HMP Canterbury encapsulated this new venture in a vision of hope whose impact they believed could change the world. In this personal account of the role of Chaplains in British prisons, the author reveals how MultiFaith Chaplaincy can enhance the lives of prisoners of all faiths and none without, at all, compromising the integrity of any individual. When HMP Canterbury became the first fully Foreign National gaol, the completely different population led to a fresh approach from the Chaplains. They walked the Wings together, ate together and laughed together. No faith was compromised because, at the heart of their vision, was mutual respect. The symbol of..

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
