Learn more about the Heinemann Seminar based on this book: Inside the Teaching of Writing Your curriculum is packed, and you have barely enough instructional time to teach students essential writing skills, let alone how to combine those skills to form cohesive, compelling work. Fortunately, there is a solution to the time crunch, a quicker, more effective way to help children understand the complexities of writing, and Don Graves and Penny Kittle are ready to share it with you. In Inside Writing, Graves and Kittle show you the power behind an apprenticeship approach to writing instruction where you mentor students using your own writing-even if you don t consider yourself a writer. Inside Writing is a practical, flexible three-part program that gives you numerous entryways for learning how to model the central elements of the craft: topic choice rereading details response conventions the writing life. Begin with any aspect of Inside Writing, and you ll discover new insights about high-quality writing instruction. The DVD: go inside real classrooms to watch as teachers from grades 2-6 demonstrate their writing process...
