Filesize: 8.11 MB

Reviews

*Absolutely essential study book. It normally is not going to charge excessive. I am delighted to inform you that this is basically the finest ebook we have study during my very own lifestyle and can be he greatest publication for at any time.
(Dr. Willis Paucek II)*

REPORT OF BOARD OF ILLINOIS STATE FISH COMMISSIONERS TO THE GOVERNOR OF ILLINOIS, SEPTEMBER 30, 1890 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report of Board of Illinois State Fish Commissioners to the Governor of Illinois, September 30, 1890 By another season we hope to be able to arrange our boat, the steamer Lotus, so that fish can be carried any distance, by the use of pumps and attachments which will supply a constant stream or jets of water over the fish while they are held in tanks, arranged for that purpose, along guards and fore castle of the boat. By this means we hope we shall not be compelled to confine our operations to any one locality, but be able to move from place to place, on both rivers, and cover a much larger territory. As it is, we are compelled to work within towing distance of some point which can be conveniently reached for loading. In this connection, we would say that a party of men, working under the direction of Mr. D. J. Webb, for the Fish Commission, rescued and put into the river, near Rapids City, Ill., fish, in twelve days time. A report of the work will be found under head of Fish Distributed. In the proper place in this report will be found tables, showing the extent of the work of distribution of native fish, and where the plants have been made for the past two seasons.
