

Studies on Standard Cells: A Dissertation Presented to the Faculty of Princeton University in Candidacy for the Degree of Doctor of Philosophy (Classic Reprint) (Paperback)

By Guy Fleming Lipscomb

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Studies on Standard Cells: A Dissertation Presented to the Faculty of Princeton University in Candidacy for the Degree of Doctor of Philosophy The thermodynamics of the saturated combination has been investigated and satisfactory agreement between the heat of the reaction as calculated from the electromotive force data and that obtained from thermo - calomel measurements has been established. The phase rule investigation of the double salts used in the construction of the cells was carried out, and the curves obtained Show conclusively that these salts are stable in the presence of their own saturated solutions, over the range of temperature for which standard cells may be used. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
