It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

AuthorHouse. Paperback. Book Condition: New. Paperback. 332 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. This book is comparing Christian Churches dogmas, to show their differences that led to the separation from the Roman Catholic Church (RCC) through Schisms, and to try to find solutions of a new way towards a United Christian Church (UCC). The purpose of this book is to show all Christians a direction toward Christian unity, solving through friendship and cooperation the Christian Church's greatest sin of schism. That unity will have an immense impact on people's lives, and will create conditions of peace, cooperation and prosperity for human beings everywhere, without discrimination of religion, race, sex, age, language and social situation. This humble essay for Christian unity is devoted especially to the most venerable Pope of all time, John Paul II, who, never tired, battled his entire life to tear down the wall between Catholics, Orthodox and Protestants. And Christians will find a United Christian...
