Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. God hates flags! Learn why God prohibits idolatry, other gods, and graven images. Flag worship is forbidden for many reasons including: (1) the Pledge of Allegiance to the Flag was written by an American socialist and was the origin of the Nazi salute and Nazi behavior under German socialism; (2) the military salute was the origin of the Nazi salute (because the military salute was used in the original Pledge of Allegiance) and; (3) German socialists used the early American hand-salute to pledge allegiance to their swastika flag that represented crossed S letter shapes for socialist (those are three of the many divine revelations from the philologist Dr. Rex Curry, and explained by the author Lin Xun). This book reveals for the first time how Congress and the U.S. s official Flag Code expose the military salute as the origin of the Nazi salute. The U.S. Congress revealed that Dr. Curry s academic discoveries are correct. The research for Dr. Curry s scholarly work was painstaking and difficult, but fortunately grad students are plentiful and cheap, said Lin regarding America s beloved VexiLOLogist. The legendary teacher explores the power of sacred myths in the land of the free and the home of the brave. With a forward by God, the book God Hates Flags! introduces readers to the Socialist Crusades, the hooked cross, the Latest Socialist Dark Age, and the Modern Socialist Inquisitions, which resulted in the Wholecaust (of which the Holocaust was a part). Adolf Hitler, Joseph Stalin, Mao Zedong and other socialists are exposed along with the influence of socialists in the United States upon those criminals. Remember: Buy this book or go to Hell. Author Lin...
