

My OS X (El Capitan Edition) (Paperback)

By John Ray

Pearson Education (US), United States, 2015. Paperback. Condition: New. El Capitan ed.. Language: English . Brand New Book. My OS X is filled with beginning through intermediate tasks, presented in a thorough step-by-step format, that guide you through learning everything you need to know to use the El Capitan release of OS X. The goal is not to teach you how to type or click a mouse but how to configure network settings, customize your desktop, use built-in apps, optimize battery life, set up backup solutions, and much more. In My OS X, you will find: Step-by-step instructions with callouts to OS X photos that show you exactly what to do. Help when you run into hardware or operating system problems or limitations. Tips and Notes to help you get the most from OS X. Full-color, step-by-step tasks walk you through getting and keeping OS X working just the way you want. The tasks include: Managing, arranging, and tagging your files. Staying informed and productive with Notification Center. Creating and navigating virtual workspaces in Mission Control. Opening and organizing apps with Launchpad. Accessing network devices and resources. Activating and using iCloud services. Communicating online with email, instant messaging, and video. Keeping appointments with Calendar and Reminders. Planning trips and checking traffic with Maps. Keeping up-to-date...
