Pauline Books & Media. Paperback. Book Condition: New. Paperback. The saints take center stage, showing us how to live a Christian life through the Gospel. Combining the art of dramatic storytelling with biography, Church history, and Catholic teaching and belief, this collection of stories features saints from different eras, continents, and walks of life. Each brief story highlights a particular aspect of or challenge in the saints life and connects it to a Gospel verse. Themes include: conversion, discipleship, bearing witness, ministering to Christ, love, suffering, union with God, living the Word, and faith. Showing how real people lived the Gospel, their stories reveal the richness of the Christian life and offer inspirational models of the faith. This books companion volume, *Saints Alive! The Faith Proclaimed* takes a similar approach, showing us how to live a Christian life through the example of holy-yet relatable-men and women who have lived the beatitudes and sacraments. Teachers and students of the faith and individuals who are simply looking for captivating stories to read will find that presenting components of the Catholic faith through the lives of the saints is both educational and enjoyable. Along with their biographical portraits, each included saint features a prayer, a fact box, notes, lesser-known facts, and a quote from their writings. A Readers Guide contains personal reflection and group discussion questions and directs you to relevant parts of the Bible and the Catechism of the Catholic Church. This unique feature makes this volume ideal for RCIA teachers and participants, adult faith formation groups, parish book clubs, and independent study. A glorious introduction to those who have been raised to the glories of the altar. -James Martin, SJ, author of *My Life with the Saints*. This item ships from multiple locations.
