Closing Maintenance Depots: Savings, Workload, and Redistribution Issues: Nsiad-96-29

By -

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a congressional request, GAO reviewed maintenance depot closures and realignments, focusing on: (1) the reliability of the Department of Defense s (DOD) depot closure cost and savings estimates; (2) DOD efforts to provide employment and training opportunities at closing depots; (3) whether the military services can increase savings by using competitions between DOD depots and the private sector when redistributing closing depots workloads; and (4) whether the military services adequately consider other services depots when redistributing the workloads. GAO found that: (1) DOD has substantially reduced its initial estimates for the net savings that depot closures will achieve during the 6-year implementation period allowed by law and, to a lesser extent, for the annual savings after the implementation period has been completed; (2) although DOD believes its estimates have improved, current estimates still do not accurately reflect potential savings because some closure-related costs are not included, and some estimates have not been updated to reflect major changes in such areas as the expected cost of doing the work after it is transferred to new sources of...
