Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on Permanent-Way Material, Platelaying and Points and Crossings The permanent-way inspector of to-day so far as my knowledge of him goes is not merely that vague product, a practical man; he does not necessarily prefer guesswork to certainty; he has not a supreme contempt for a simple and intelligible mathematical method; he has not a serene confidence in the fallible process of putting it in by the eye; and he is not one jot less practical than the platelayer of the old school, although he has had the advantage of a better education. To him, then, I dedicate this little book. The first chapter deals with the material which the platelayer has to work with. While on furlough in 1885 I was engaged for some months in passing material for the War Office, and so had constant opportunity of observing the processes of manufacture which I have briefly described. The inspection and test reports, I may add, are quotations from my own papers. In the second chapter I have described the actual operations of...
