AGONY OF THE ZOMBIE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. William didn't want to be raised from the dead. William didn't want to eat his own mother's brain. William didn't want to live forever with the memory. William had no choice. Now William has to stand up to the undead establishment and fight to change the reality of his new existence. Based on George R. Khouri's short story, *The Reluctant Zombie*, this novella dives deeper into a world in which zombies are not stupid, stumbling, mindless beings. Instead, they're intelligent, agile, and cunning-and the most terrifying things about them are their very human personalities.
