

Five O Clock Lightning: A Novel about Baseball, Politics, and Murder

By William L DeAndrea

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A onetime baseball catcher confronts the murder of a McCarthyist politician at Yankee Stadium. In 1953 America, McCarthyism is everywhere. Congressman Rex Harwood Simmons is among the leaders who single-mindedly hunt down suspected Communists; he even claims that Communism has infiltrated America s favorite pastime. But while watching a Yankee game one afternoon, he becomes a target. As the crowd cheers for a home run, Simmons is shot dead in his seat. The task of solving the crime falls to onetime ballplayer and Korean War veteran Russ Garrett, who collaborates with Vicious Aloysius Murphy, a Bronx homicide detective. The investigation won t be easy, since there are plenty of people with a motive to plug Simmons. Several clues point to a blacklisted intellectual - but he was driven to suicide years ago. And as Garrett hunts for the killer, a new conspiracy comes to light: a plot to murder Yankee star Mickey Mantle.

Reviews

This publication is wonderful. It is amongst the most remarkable pdf i have got read. Its been written in an exceptionally basic way and it is merely after i finished reading through this pdf in which really transformed me, alter the way i really believe.

-- **Shayne Schneider**

It is an awesome pdf i have possibly go through. It really is filled with wisdom and knowledge You will not really feel monotony at whenever you want of your time (that's what catalogues are for relating to in the event you ask me).
