

Sexual Murder: Catathymic and Compulsive Homicide (Hardback)

By Louis B. Schlesinger

Taylor Francis Inc, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. Forensic psychologist and author Louis B. Schlesinger delves deep into the minds of sexual murderers. It is a place where few dare to tread, but a necessary journey if we are to understand the motivations behind their inconceivable actions. Culminating nearly 30 years of experience analyzing sexually motivated homicides, *Sexual Murder: Catathymic and Compulsive Homicides* makes this complex phenomenon fully comprehensible. The author provides a strong foundation by first exploring the psychopathology of sexual homicide within the context of nonsexual homicide. He also discusses forensic assessment of the sexual murderer, theories of crime, and systems of homicide classification. The remaining chapters explore the two types of sexual murders: catathymic, caused by a breakthrough of underlying sexual conflicts, and compulsive, in which a fusion of sex and aggression results in a powerful internal drive that pushes the offender to seek out victims to kill - and the killing itself is sexually gratifying. Presenting both forms of sexual murder from a clinical-descriptive perspective, the book provides historical background and examines both planned and unplanned homicides for each. Finally, it considers prediction, disposition, and possibilities for preventing sexual...
