## STREET GRAPHICS OF CUBA (PAPERBACK)

Thames Hudson Ltd, United Kingdom, 2001. Paperback. Condition: New. Language: English . Brand New Book. Much of today s most exuberant, most creative and most telling imagery is all around us, in the street. All over the world, the street has become a public art gallery of visual icons, each city with permanent collections and temporary exhibits, each country with its own much-loved identity. Cuba has a unique place in the planet s street galleries; its colonial past and its revolution have created something vibrantly distinct. Beyond the ideology, this is the venue to enjoy a nostalgic whiff of the chromium trim and high tail fins of the 1950s automobile, the locale for Cohiba cigars, pre-Revolution enamel Coke signs, the ever popular Bacardi rum and all the excitement of the Buena Vista Social Club. Barry Dawson s brilliant photographic eye captures it all in an inspirational, all-colour ideas book for students and practitioners of design, an evocative medley of impressions for visitors - and would-be visitors - to Cuba and an entertaining cornucopia for anyone visually curious. 150 Barry Dawson is a design graduate and has lectured in graphics, photography and art. His previous publications include the photographs for The Traditional Architecture of Indonesia and Arts and Crafts of India.
