The Work of Christ Past, Present, and Future serves as a rallying call for all Christians to appreciate what Jesus has done, is doing, and will do for all of humanity in the years to come. The author s stunning summary of the all-encompassing power and grace of Jesus Christ is a reminder that the Christian world revolves around the essential values that Christ demonstrated in life. This essential virtue, and the aid He gave to ordinary persons, are his abiding legacy - it is these actions which Arno C. Gaebelein brings attention to, that Christians may return to the core of their duties. For Gaebelein the past work of Christ comprises His submission to the church - ever since, he has sought to cement this legacy by watching over humanity. In the future however, Christ will lead the way towards a new church of His own making. This narrative is supported by quotations of the New Testament scriptures, which the author reviews energetically and with the passion of a motivated Biblical scholar. The reader will conclude this inspiring manual of belief with a greater appreciation for Christ s work across time. In setting out Christ s purpose and mission clearly, the author allows believers who peruse this text to take heart and know that true and meaningful imitation of Jesus Christ s principles remain of the utmost centrality. This premium edition of Gaebelein s classic is in large print, that readers of a younger age, or with visual difficulties, may easily take in and appreciate the lessons within.
