A Radical Decision My darling girls: I cant believe our time is coming to an end. Weve been together for such a short time, but wow, fun times. Youve caused me grief as well, but mostly its been an unbelievable ride. Especially our time in Key West. But the potential harm you could cause makes this radical step necessary. So I say: Goodbye to you, boobs. A preventative double mastectomy is taking you away soon, and Id had no doubt this was the right thing to do until I met him. His name is Shay Kelly. He loves you. He likes me, but you He cant keep his hands off of you. An Unexpected Love It was a summer fling. Or was supposed to be, but as ass-kicking fate would have it, hes going to med school at my college. I ran into him at the hospital, and agreed to one date, which turned into so much more. Shay is perfect. Gorgeous, smart, and ambitious. He doesnt know youll be leaving soon. The one thing he despises is being lied to, the way people lied to him for years about a family tragedy. Now Im lying, by colossal omission. So I need to figure out a way to tell Shay . . . and find the strength to watch him walk away. Ill miss him, and Ill miss you, too. But I must say goodbye. Adis. Au revoir. Ta-ta forever, ta-tas. The joke isnt funny now that I have even more to lose. Thea This item ships from La Vergne, TN. Paperback.
