Leonaur Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.War among the forests, mountains and lakes of North America Among British Army historians the reputation of Sir John Fortescue stands virtually without equal. His comprehensive fourteen volume history is a work of unparalleled achievement in its field. Fortescue combines thorough source material research with insightful academic observation of the conduct of the campaigns he describes and of the decisions, errors and strategic and tactical options of their principal protagonists. This Leonaur exclusive volume has never been available before, and Fortescue s original text has here been enhanced by the inclusion of maps and diagrams. Leonaur editions are newly typeset and are not facsimiles; each title is available in...
