MAN AND MAID (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The most extraordinary thing that ever happened to me was my going back to town on that day. I am a reasonable being; I do not do such things. I was on a bicycling tour with another man. We were far from the mean cares of an unremunerative profession; we were men not fettered by any given address, any pledged date, any preconcerted route. I went to bed weary and cheerful, fell asleep a mere animal-a tired dog after a day s hunting-and awoke at four in the morning that creature of nerves and fancies which is my other self, and which has driven me to all the follies I have ever kept company with. But even that second self of mine, whining beast and traitor as it is, has never played me such a trick as it played then. Indeed, something in the result of that day s rash act sets me wondering whether after all it could have been I, or even my other self, who moved in the adventure; whether it was not rather some power outside both of us . but this is a speculation as idle in me as uninteresting to you, and so enough of it.
