## 32 STEPS TO LEADERSHIP: A QUICK START GUIDE FOR CORPORATE MANAGERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One of the major reasons that people go to work for any organisation is because of the leadership. Dr John Maxwell, a worldwide authority on leadership once wrote: People buy into the leader before they buy into the vision . This occurs when people decide for themselves that they are going to follow the direction, the guidance and the vision of someone else. In other words, it is a voluntary form of following that marks our best leaders today. 32 Steps to Leadership is a unique inspiring handbook for managers, business owners, sales people and entrepreneurs. It shows how one can develop their skills of leadership and in so doing make a big impact in their organisations. It also outlines the many secrets and insights of world class leaders such as: - The practices of how the best leaders lead; - The secrets of sustained leadership success; - How to maintain exceptional standards, day after day, week after week, year after year; - How to turn vision into action, purpose and practice, and pressure into results; - How to leave your organisation or business in a better place.
