The reason why our Party has been able to achieve these tremendous successes is that from the very beginning it had been a proletarian party of an entirely new type - a party dedicated whole-heartedly to serving the Chinese people and built upon the very solid theoretical foundation of sinified Marxism-Leninism. Having adopted Mao Zedong Thought - the theory which integrates Marxism-Leninism with the practice of the Chinese revolution - as the guide in all its work, our Party has formulated a revolutionary programme and revolutionary policies which fully represent the interests of the Chinese nation and people. It has not only waged a resolute struggle against the enemies of the Chinese nation and people and against all the reactionary political groups that act contrary to their interests, but has also crushed every kind of opportunism within the Party itself. It is under the guidance of the great Mao Zedong Thought that our Party has gathered together the most loyal, courageous, politically conscious and well-disciplined representatives of the Chinese working class and labouring people. And in doing so, the Party has become the organized vanguard of the Chinese working class, fighting most resolutely and bravely against the enemies of the Chinese nation and people and successfully striking at these enemies while avoiding their blows. Liu Shaoqi (24 November 1898 - 12 November 1969) was a Chinese revolutionary, statesman, and theorist. He was President of the People's Republic of China, China's head of state, from 27 April 1959 to 31 October 1968, during which he implemented policies of economic reconstruction in China.
