Love Is a Many Zombied Thing (Paperback)

By Alexandria Constantinova Szeman

Rockway Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a post-Z-fected world, Jake is just an ordinary guy, although slightly more educated and a bit better looking than most young men his age. He has a good job, a nice car, a great apartment, and a relatively pretty girlfriend. He knows all about how to protect himself from the Zombies who would eat the brains of every uninfected human on the planet if their own Z-fected brains functioned any longer and they could figure out how to get past the fence barricades that separate the two groups. Jake has his life all planned out - at least, as much of your life as you can plan when Zombies have been in existence, attacking and killing humans, for several generations. When he unexpectedly becomes so severely ill that his job, relationship, and life are in jeopardy, he s supremely grateful to the girl who steps in to nurse him. Though he knows Goth-girl Windy only slightly, as one of the waitresses from a Downtown restaurant he frequents, she is more attentive and solicitous during his illness than his current girlfriend....
