### ***Reviews***

*Without doubt, this is actually the very best function by any article writer. it was writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
**(Prof. Isobel Heller MD)**

## NOVA

Vintage. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 7.9in. x 4.9in. x 0.7in. Given that the suns of Draco stretch almost sixteen light years from end to end, it stands to reason that the cost of transportation is the most important factor of the 32nd century. And since Illyrion is the element most needed for space travel, Lorq von Ray is plenty willing to fly through the core of a recently imploded sun in order to obtain seven tons of it. The potential for profit is so great that Lorq has little difficulty cobbling together an alluring crew that includes a gypsy musician and a moon-obsessed scholar interested in the ancient art of writing a novel. What the crew doesn't know, though, is that Lorq's quest is actually fueled by a private revenge so consuming that he'll stop at nothing to achieve it. In the grandest manner of speculative fiction, Nova is a wise and witty classic that casts a fascinating new light on some of humanity's oldest truths and enduring myths. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
