Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The primary purpose of this book is to enlighten the reader with an alternative to downsizing their lifestyle, including their home, when they become Empty Nesters. Empty Nesters is the term that most people associate with couples when all of their children have left home, or their Nest for whatever reason. It might be college, marriage, work transfers, or just to be on their own. But, suppose you really love your Nest. What if. What if you decide to keep your larger home with the extra bedrooms and baths, and would like to retain the equity you have built over the years? What if you could turn your home into a Residential Eldercare Home? What if you could create an income of thousands of dollars per month using those extra bedrooms and baths? What if you could offer one or more elderly people who can no longer care for themselves, a place to live, other than a nursing home? What if you could do that without having to get any license to do so? What if those elderly people, or their families, were willing to pay you \$3,000 per month or more, each. What if you lived in a state where you could have 2 or 3 residents who were not related to you, and bring in \$6,000 to \$9,000 or more of income every month without having to drive to work? What if the cost of starting this business and running this business is very affordable, and quite frankly not much more that you are paying for utilities and maintenance on your home already? What if your home had an extra bedroom for a live-in caregiver, who would be willing to...
