Flavors for Everyone: A Guide to Raising Siblings in a Special Needs Family (Paperback)

By Barbara Lauer Lauer-Listhaus Psy D

BookBaby, 2016. Paperback. Condition: New. Language: English . Brand New Book. Raising happy and healthy children is both rewarding and demanding in the best of circumstances, but when one child has special needs, new challenges arise, not only for the parents, but for the siblings as well. Flavors for Everyone provides an insider's view--by a neuropsychologist who is also the mother of a special needs son--into the complex problems that these families face when raising children with different abilities and personalities, and offers practical solutions for families to implement. Each chapter includes summary points that can be used as a quick reference for times when life turns stressful or unpredictable. Parents are encouraged to recognize their own strengths--and each child's unique characteristics--to foster personal development in all family members. Through acceptance and shared experiences, siblings learn to appreciate each other as they grow up together and mature into confident and caring adults. Key issues addressed include: - Explaining special needs to children of any age - Dealing with the unique challenges and obstacles siblings face - Handling sibling rivalry and overcoming resentments - Building self esteem through scheduled one-on-one time with each child - Validating feelings and encouraging...

Reviews

It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Joy Langosh**

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.
