Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Adjusted Constitution of Massachusetts: Annulled and Fulfilled Parts Dropped, Amendments Embodied With the Original Articles This book undertakes to make plain what the live, working parts of the constitution of Massachusetts are. It aims to be useful to seekers of simplicity, brevity, clearness: to movers of just and needful statutes: to lovers of clean politics and good citizenship in this commonwealth. It would gladly be a convenience to professional men, to teachers and youths; but would especially be a help to the earnest citizen, old or young, whose foster mother has been the public school, and whose diploma is his good behavior. It is not a bonanza; does not expect to sail in financial fair weather. It does indeed bear riches: the riches of the greatest laws made by the state; but the state s boundaries enclose the people who will read the book. Let anybody not familiar with the constitution try to find quickly all the laws touching voters, all affecting representatives or senators, the management of elections, the filling of executive and council vacancies; and he will not, with great emphasis, bless the tangle in which the state s text benets him, with its original articles and amendments crossing, intertwisting, doubling back upon each other, while one annuls another and some become obsolete by their whole fulfilment. The common text is the despair of a busy man. The index helps; but who knows that the index is exhaustive? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
