Filesize: 7.82 MB

Reviews

I just started out reading this ebook. I could comprehend every little thing out of this written e book. I am pleased to inform you that this is actually the very best publication i have read through inside my personal life and could be the best ebook for ever.
(Antonia Orn IV)

THE CANDY COUNTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s one of the secrets of the trade. We cook for all the confectioners, and people think the good things come out of the cellars under their saloons. Good joke, isn t it? And Snap laughed till a crack came in his neck and made him cough. Lily was so surprised she sat down on a warm queen s cake that happened to be near, and watched Snap send down load after load of gingerbread to be eaten by children, who would have liked it much better if they had only known where it came from, as she did. As she sat, the clatter of many spoons, the smell of many dinners, and the sound of many voices calling, One vanilla, two strawberries, and a Charlotte Russe, Three stews, cup coffee, dry toast, Roast chicken and apple without, came up the next hole, which was marked Copeland. Dear me! it seems as if I was there, said Lily, longing to hop down, but afraid of the bump at the other end.
