

## Cockeyed: A Memoir of Blindness (Hardback)

By Ryan Knighton

The Perseus Books Group, United States, 2006. Hardback. Book Condition: New. 208 x 147 mm. Language: English . Brand New Book. On his 18th birthday, Ryan Knighton was diagnosed with Retinitis Pigmentosa (RP), a congenital, progressive disease marked by night-blindness, tunnel vision and, eventually, total blindness. In this penetrating, neryv memoir, which ricochets between meditation and black comedy, Knighton tells the story of his fifteen-year descent into blindness while incidentally revealing the world of the sighted in all its phenomenal peculiarity. Knighton learns to drive while unseeing; has his first significant relationship--with a deaf woman; navigates the punk rock scene and men s washrooms; learns to use a cane; and tries to pass for seeing while teaching English to children in Korea. Stumbling literally and emotionally into darkness, into love, into couch-shopping at Ikea, into adulthood, and into truce if not acceptance of his identity as a blind man, his writerly self uses his disability to provide a window onto the human condition. His experience of blindness offers unexpected insights into sight and the other senses, culture, identity, language, our fears and fantasies. Cockeyed is not a conventional confessional. Knighton is powerful and irreverent in words and thought and impatient..
