BEEKEEPING: BE A BEEKEEPER AND SAVE THE PLANET (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ever wish you could be a super hero? Be a Beekeeper and Save the Planet! And The Best Part Is - Have Fun While You Do It ! How would you like to start enjoying the delightful sweet taste of honey that you have grown yourself? Well, you AND your own bees! If you answered Yes! then read on. 3 Reasons Why Your Timing Is Perfect That headline above is no joke. You couldn t have chosen a better time to learn about this great hobby. Beekeeper pros have experienced a decline in their bee colonies. This has significantly reduced honey production. As a result the cost of honey has skyrocketed. No one knows for sure why that has occurred in recent years, but it has. Naturally the cost of honey has risen. Some feel that increasing the number of smaller producers who do this as a hobby could help to add to the bee population. This means YOU have an incredible opportunity to get started in a hobby that is not only personally rewarding, but help contribute to improving this important industry on a global level. The only thing left is to learn how to become a beekeeper and you are off to a great start. We have the information you need in one tidy, compact guide entitled Beekeeping for Beginners. We let you in on all of the secrets and more inside The Beekeeping for Beginners and here is a peek inside: In some respects we could take lessons from the bees. Discover how a hive works with absolute precision. Hives continue to thrive and lead to more colonies and hives because of the particular tasks that every bee does....
