He has fought to contain the werewolves and vampires who once nearly destroyed the world, enforcing a Shifter Directive he doesn't really believe in, all the while struggling with nightmares and plagued by restless guilt. But as his two hundredth birthday approaches, his time is running out. Without a mate, he risks being killed by his own people. To top things off, his father, the draechen emperor, arranges his marriage with a fae, Sari Norrenddare. A political match is the last thing Karein needs. Or so he thinks, until he meets Sari. The moment he sets his eyes on the beautiful fae, Karein realizes Sari is his true mate. But even as the two men fall desperately in love with each other, Karein's family aims to begin a war with the fae. Can the strength of one mate bond change the destinies of two peoples and save the paranormal world from chaos? NOTE! You are purchasing Siren's newest imprint, the Siren Epic Romance collection. This is Book 2 of 7 in the Chronicles of the Shifter Directive series. The series shares an overall story arc with many crossover characters playing major roles in each book.
