The sequel to the bestselling new adult novel *The Thrill of It*. *Every Second With You* = Sex. Love. Addiction. Heartache. Pain. And Hope. I used to think love was a lie. Now I know it's real, powerful, and I don't want to lose it. But my future scares me, and there's no way this can be happening, especially since I've finally broken free from all the people who wanted pieces of me. I don't even know how to start over, but I have to find a way. So when I discover what my mother's been keeping from me, it doesn't make me hate her. It gives me hope for a new life, outside of New York. But the ties that bind me to this city are so strong, sometimes they are chains. If only I could leave with Trey. I will do anything for her. She owns me, heart, mind and body. But when Harley tells me this, I am rocked to the core, and terrified of what happens next. Especially when this time it's not her past that chases me, it's someone from my own. And that someone is messing with my head when I'm trying to be strong for Harley. But all I really want is to escape with the girl I love. For the rest of our lives. How can you move forward when the past keeps chasing you?.
