It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.After her husband of twenty years falls in love with someone else, PR exec Cecelia CeeCee Banks is forced to reinvent her life post-divorce. Between career shakeups, raising a teenage son and the news that her ex plans to remarry soon, CeeCee is juggling her new reality with grace, laughter and a little more alcohol than usual. CeeCee catches one of her life's sexiest curveballs in the form of Jay Weston. A promising artist, Jay brings out a passion in CeeCee that she hasn't felt in years. He is everything her ex wasn't: ambitious, sensual, exciting, and twenty-five. CeeCee is tested the day a click of a paparazzo's camera brings her professional and personal lives into a tabloid tailspin. After ZMT officially coins her as The Cougarette, CeeCee becomes a media sensation overnight. Her reputation is in shambles, her career is thrown into limbo and her own hip-hop star client betrays her in a hit song! Worst of all is the damage it has done to her relationship with Jay, whose mysterious backstory finds itself entangled in CeeCee's drama in a way neither of them ever could have imagined. With the help of her no-nonsense BFF/manager/unpaid life coach Laney, CeeCee attempts to dig herself out of this self-created chaos and maintain at least a shred of dignity. Will she be able to keep her life running smoothly, career and love life intact? Maybe - if she could just stop waking up in random hotel rooms.
