

## Your Cabin in the Woods

By Meinecke, Conrad

Echo Point Books & Media, 2013. soft. Condition: New. The techniques of cabin building described here are derived and updated from the American pioneers, a spirit Conrad Meinecke fully possessed. The cabins he outlines, from the simple framed tent and two-man squatter to the long house and five-room family cabin, are all built of natural building. Your Cabin in the Woods covers all aspects of cabin building: from where to build it and which direction to face it, to furnishings, plumbing, and outdoor equipment. The measured diagrams, floor plans, and cross-sections are clear, well detailed, and accompanied by directions. Meinecke explains the proper use of tools and how to avoid potential problems. Meinecke also elaborates on building fireplaces-from the simple outdoor campfire to the well-appointed indoor hearth. He provides detail about fires for heat and cooking, describing the use of such implements as the cooking reflector and the wash boiler. He even offers recipes. Your Cabin in the Woods is lively and conversational. It is as if Meinecke is talking with you around a campfire. Infused with an altruistic spirit, his philosophy is direct and homespun. He emphasizes communion with and respect for nature, and includes a section dispelling fears...
