*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## PURA VIDA: BEGINNING SPANISH ACTIVITIES MANUAL (PAPERBACK)

John Wiley Sons Inc, United States, 2014. Paperback. Condition: New. Workbook ed.. Language: English . Brand New Book. Culture, culture, culture! In Pura vida, Spanish is more than vocabulary and grammar, and Spanish-speaking cultures are more than products and practices. Pura vida is the discovery of a Spanish-speaking world through the experiences of real people that students can relate to, who share anecdotes and reflections on their experiences. Students make deeper, more meaningful connections between language and culture than in other programs and acquire Spanish with an unparalleled sense of personal engagement. Students don t only learn Spanish for real life, but also from real life, discovering that there is not just one homogeneous Hispanic culture, but rather that each Spanish-speaking country has its own rich, unique culture and that the people who live in these countries speak one common language with different accents, characteristics, and idiosyncrasies. This first-edition program offers truly seamless integration of cultural notions and language instruction, and features 100 contextualized and personalized activities.
