Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Carl Barks Fan Club Pictorial is a quarterly publication of the international Carl Barks Fan Club, featuring pictorial articles regarding the amazing worldwide influence of Carl s stories and artwork on literature, the arts, education and literacy. For seven decades the work of Carl Barks has been translated into every major language, published by the millions, and enjoyed by billions of adults and children of all cultures. The characters he created have become household names, his stories treasured works of literature. Yet it was not until his retirement in the 1960s that Carl s name was made known to the public, for during the twenty-three years of his comic book cartooning career, his work was presented to the public as that of Walt Disney- specifically, that of The Walt Disney Company. An American of humble beginnings from rural Oregon, Carl Barks became the single most prolific, most published, most read author and most viewed artist in history. This series of pictorial books explores every aspect of his work and its ongoing global impact. Today Carl s oil paintings of scenes featuring the characters he created and wrote about are eminently collectible, selling at auction for very high prices.
