Friesenpress, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At thirty-seven years old, Darren Cosentino is fit and healthy, with a busy social life and a successful career. Returning from a holiday in Mexico with his wife, Sara, he develops stomach pains and heads to the hospital with what seems to be a case of severe constipation. He is diagnosed with terminal colon cancer and given six months to live. In this true story, Darren s diagnosis changes his life, but he doesn t let it stop him from living. He becomes an empowered and involved patient, working closely with his doctors in carrying out his treatment plans, and continues an active lifestyle that includes daily hot yoga, scuba diving, hunting, socializing, travel, and getting the most out of every day. Always adventurous, cancer makes him even more ambitious. Darren shows that even with a terminal diagnosis, there are ways to thrive and live an incredible life. He makes a special point of recounting the support he s received, personally thanking friends, family, and health care professionals-every person who made his and Sara s journey better. His story will inspire and motivate patients faced with challenging treatment regimens, as well as help friends and family members of people undergoing difficult medical treatment better understand how to support their loved ones. Darren s perseverance and optimism make **You Can t See My Scars** about much more than cancer; this is a story about how to approach life and death, and a meditation on the power of positivity, gratitude, community, a deeply loving spousal partnership. Net proceeds received from the sale of this book will be donated to the CancerCare Manitoba Foundation Darren Cosentino Memorial Fund.
