Reviews

The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.
(Adolfo Lindgren)

THE SINS OF THE MOTHER

Dell Publishing Company. Paperback. Book Condition: New. Mass Market Paperback. 448 pages. Dimensions: 6.8in. x 4.1in. x 1.3in. NEW YORK TIMES BESTSELLER Every woman makes choices. And no one has made more difficult choices than Olivia Grayson. The enormously successful businesswoman missed out on much of her childrens lives while she built her legendary home-furnishings empire. In Danielle Steels character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business. THE SINS OF THE MOTHER As a way of making up to them for time lost, Olivia spends months every year planning a lavish holiday that everyone in her family will enjoy. This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht, which she hopes will be the most memorable vacation of all. Her lavish gesture every year expresses her love for them, and regret at all the important times she missed during her childrens younger years. Her younger daughter, Cassie, a hip London music producer, refuses the invitation altogether, as she does every year. Her older daughter, Liz, lives in her mothers shadow, with a terror of failure as she tries to recapture her dream of being a writer. And her sons, John and Phillip, work for Olivia, for better or worse, with wives who wish they didnt. In the splendor of the Riviera, this should be a summer to remember, with Olivias children, grandchildren, and daughters-in-law on board. But as with any family gathering, there are always surprises, and no matter how glamorous the setting things dont always turn out as ones hopes. Family dynamics are complicated, old disappointments die hard, and as forgiveness and surprising revelations enter into it, new bonds are formed, and the future takes on a brighter hue...
