Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The American Labor Year Book: 1917-18 The following section is devoted to a description of the progress of the international Socialist, labor and co-operative movements, by countries. Last year s material is condensed and a great deal of what occurred during the years of 1916 and 1917, the information of which could be obtained, is included. The material for this section was mainly supplied by Ludwig Lore, Associate Editor of the New York Volkzeitung, whose close acquaintance with the international movement was very helpful in the preparation of this portion of the book. The editor drew upon his own sources of information for the article on Russia and it roughly represents his interpretation of the events which occurred there up to the writing of the article. The subsequent developments seem to have substantiated the ideas set forth in the article. The last part of the book deals with the Socialist movement in the United States. Special articles on the results of the last presidential campaign, the activities of Socialists holding public office, the Unity Conference...
