Slug Pie Stories LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The fourth installment in Mick Bogerman s Slug Pie Stories Adventure series is a scary, good time! The circus is in town, and Mick Bogerman has a fail-proof plan to sneak inside the adults-only Macabre Pavilion. But there s something weird about the A. Linville Purnima Bros. Circus this year. Angry parents and crying kids exit early by the carload. Maybe it s the clowns. Yes, they wear the standard stark-white faces and red bulbous noses, but underneath their painted smiles, there s something not quite right. What s more, after the full moon rises . . . they howl. When Mick and his friends rescue a caged boy from the clown s clutches they set off a series of disasters that threaten their entire neighborhood. Can Mick become the leader his neighbors need and protect them from the pack of hungry predators infiltrating their town? From the back cover: There s a good reason kids are scared of clowns. When the circus comes to your town, better watch out for the clowns with jagged teeth, pointy ears, and foul breath. They just might be werewolves in disguise waiting to devour everyone in sight. Once their hair-raising howl cuts through the night, you have two choices: run and hide and hope for the best, or follow my simple steps for How to Protect Your Neighborhood From Circus Werewolves. Together, we ll turn grandma s silverware into powerful weaponry and hunt down the fearsome canine pack before they make meat snacks of the neighbors.
