

Why Not Now? (Paperback)

By Chris Howard

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Internet, Facebook, Twitter, Face Time, Skype and many more social networks have opened the door to our children for access to more lessons about the birds and the bees than we baby boomers ever had during our growing up years! We have to do something about it and it starts at home. How are parents today prepared to protect their children? Can you send them to the mall without adult supervision? NO! Predators don't have to go to the mall today, but they are there and they are watching your children! They are watching in your own home (check out Skype and Face Time, if you haven't already). Not only is a mind a terrible thing to waste; virginity is a terrible thing to waste, especially at 10 and 11 years old! Parents, wake up! Educate yourselves and your children about what sex is and what its purpose is. Inside these pages there are statistics and facts and even testimonies that will make you think, stop, look and listen! Listen to your children and guide them in the right direction of...
