Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Allison Taylor (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Glenda K. Harrison, freelance style contributor and creator of the blog, So What to Twenty, has long been enthusiastic about the subject of style. Spending her days inspiring women to identify and embrace their unique gifts, and fashion prowess, she noticed the meaning of style is often cast into a one dimensional story - usually referring to fashion, and relegated into what someone is wearing, when in fact, style is much more complex than sartorial pursuits, and extends beyond what the eye can see. After spending many years deciphering people who embody the characteristics of style, with clarity, Harrison takes us on a journey that cleverly unravels the intangible traits, as well as their wardrobe mastery, and then beautifully weaves together the person who encompasses this multi-faceted word. With the illustrations of Allison Taylor, True Style: A Look Beyond the Surface brings this subject to life, and puts substance and artistry into the true meaning of style.
