Partridge India, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This simple-or rather humble-effort is not to give you tips on how to make easy money or how to become a billionaire overnight (there is nothing like overnight billionaires in this world), but it is to bring to your notice how some of the billionaires implemented, knowingly or unknowingly, in their daily lives some of the teachings elucidated in the two great books and why they are where they are, why they are who they are, most importantly, why they achieved what they achieved. And who knows? Perhaps, the same two avatars have guided you to pick up this book. Well, with this, you can interpret it the way you want, and I ll leave it you. Nevertheless, I request you in the feeblest voice possible. Imagine, at least try to imagine, that these two gods have directed your footsteps to this...
