

Why Jesus?

Filesize: 7.14 MB

Reviews

This is actually the finest ebook we have go through until now. It is written in straightforward words and phrases instead of difficult to understand. It's been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.

Abingdon Press, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. No figure in history has received more attention, and been less understood, than Jesus of Nazareth. Much of what has been written recently portrays Jesus as a vaguely kind and friendly person whose message sometimes pleases but never challenges believers. People might even be tempted to ask Why all the fuss? What here is worth devoting my life to? Very little about that Jesus is worth it, says Will Willimon. Yet there is another Jesus, the mysterious preacher from Nazareth who continues to invite men and women to claim the true meaning of their lives by giving their lives away in service to God and others. This Jesus continues to fascinate and compel us, in spite of all the attempts to domesticate his message and put distance between us and the call to follow. In his radical teachings, his self-sacrificial death, and his liberating life beyond death, this Jesus teaches and shows us the true meaning and purpose of our own lives.
