Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Winding through the rugged heartland of the American West, Route 66 has resonated for generations in hardscrabble stories of hopeful seekers of new homes and lives. The Mother Road has inspired books and shows by the dozens, exploring the mythology and anticipation of freedom road. But here is something new. Coauthors Alan and Claudia Heller, longtime residents of Duarte, California, along Route 66, hitched their trailer to a retirement dream and traveled the road again, in their home state and back to Chicago. They collected stories of the iconic highway, and what it means to the people who live along its way, for a series in the San Gabriel Valley Newspaper Group. Retrace their journey with this collection and find the people and places that make Route 66 truly historic.
