BRAND NEW, Heritage of Folly / The Fen Tiger, Catherine Cookson, HERITAGE OF FOLLY The Batleys and the Cadwells owned neighbouring farms on the beautiful, wild Northumbrian coast. But there all similarity ended, and enmity began. For between the two families raged a violent and bitter feud - a feud so powerful that the very name of Cadwell made Ralph Batley seethe with uncontrollable fury. Into this stormy atmosphere came Linda Metcalfe, a young agricultural student, who innocently became involved in the tension between the two households on the day of her arrival. Employed by Ralph Batley, Linda soon found herself in a very difficult situation. For not only had she unwittingly become a part of the feud, but she began to feel a strange admiration for Ralph, who made it painfully clear that he had no use for her either on the farm or in his life. But then the past erupted into the present, forcing Ralph to change his attitude to Linda and resolving the whole Batley/Cadwell heritage of folly.THE FEN TIGER Deep in the wild fen country, Rosamund Morley lived a cloistered, poverty-stricken existence with her sister Jennifer and her alcoholic father. She was the prop and stay of the family - and it was she who ran for help the night her father set his bed alight after a drinking bout. That night was to change the course of Rosamund's life - for, fleeing through the woods, she met Michael Bradshaw, the man she christened the 'Fen Tiger'. When she knew more of Michael's past and the fate that had forced him to live in isolation, Rosamund's initial feelings of dislike changed to compassion.and then to something deeper.
